

Gardening Needs for Sebeta

The following are items that would be helpful for Sebeta to use in their gardens and in teaching gardening skills to their orphans:

- 10 Wheel barrows
- 6 Garden shears
- 5 Spades
- 15 Hoes forks
- 10 Pick axes
- 1 Finger hoe
- 400 Feet of watering hose
- 1 Garden tiller

If you would be interested in making a donation for these items, please contact us at info@fhcenter.org. Our goal is to raise sufficient funds, approximately \$3220.00 US dollars, to supply these items for the orphanage.
